

CTL TRAVEL GRANTS

Travel Grants

The CTL offers conference travel grant funding to assist in offsetting the costs associated with attending teaching and learning conferences. Priority will be given to faculty members making a submission for a conference presentation. The funds provided are not expected to cover all expenses in most cases. Applicants are encouraged to consult with their AAU Heads in order to identify other sources that might help cover the difference in expenses.

CTL travel grants are available to instructors who would like to attend a conference and agree to share their learning when they return to campus. Those who attend conferences under this program are expected to share their experiences and what they learned about effective teaching with other interested faculty.

If you wish to take advantage of this offer, please fill out the attached application, and submit it to the Travel Grant Review Committee, **c/o The Centre for Teaching and Learning** at least two months in advance of the conference.
